Converting the Kallankatte into level pavement in Nelamangala town

--

Flag 'Q' Reference Government Order No. [illegible] dated 11th December 1942 sanctioning an estimate for Rs. 434 for conversion of Kallankatte at Nelamangala into a low level pavement and to a flight of steps, and directing that the work should be executed before the close of the current official year, I have the honour to state that there was no response to tender notifications even though notified twice and the only quotation obtained through the Assistant Engineer of the Sub-Division was that of Mr. L. B. Kattu Mudali Contractor at Arsikere, who quoted Rs. 5019 more than the sanctioned estimate.

The Sanitary Engineer reports in his No. 1721 dated 18th June 1943 that one Mr. L. Basavaraj who had written to him, through the Amildar Arsikere in January 1943, that he would undertake the work at the estimated rates has now written to say that he is prepared to take up the work at Rs. 56 more than the estimated rates for other items than item No. 1 and for item No. 1 (earth work etc) a rate of 200 excess is asked for. The Sanitary Engineer says that this is for above the sanctioned estimate on the quotation of Mr. L. B. Kattu Mudali.

The Sanitary Engineer therefore recommends that the work may be given. A copy of his letter is enclosed for the information of Government.

I therefore request you to be so good as to obtain and convey approval to the postponement of the work for the present.
